**Re:** *United States v. Jeffrey Parket*, No. 22 Cr. 311 (MKV)

Dear Judge Vyskocil:

After conferring with Chambers, the Government submits this letter to request clarification on the Court's preferred practices in the above-captioned matter with respect to the sealing of victim information contained in written victim impact statements and in connection with oral victim statements that may be delivered in open court.

Specifically, in connection with their "right to be reasonably heard at any public proceeding in the district court involving . . . sentencing" under 18 U.S.C. § 3771, certain victims have requested (1) that the Government communicate to the Court their request that their written statements be submitted to the Court under seal in their entirety (with versions redacting personally identifiable information to be made available to the defense), and (2) clarity as to whether victims who plan to speak at sentencing may elect to proceed under victim identifiers rather than their names.

Respectfully submitted,

DAMIAN WILLIAMS  
United States Attorney
